## **BEARINGS & ACCESSORIES**

---

Bearings & Accessories Limited, established in 1959, has been Jamaica's leading bearings supplier, servicing all industries in Jamaica for over 50 years. Internationally recognized as the preferred supplier to Jamaica's bauxite industry, Bearings & Accessories has been highly acclaimed for its service, performance and reliability. Over the years, Bearings & Accessories' experience in mining has been recognized by being the sole bearings supplier to Jamaica's bauxite industry. As Jamaica's largest independent bearings distributor, we focus on customer service, product knowledge and supplying quality brands at fair pricing, as keys to our success... and now B&A is venturing into auto.

## **AUTOMOTIVE DIVISION**

---

The automotive and transportation sector in Jamaica is a key industry that we focus on. As the primary mode of public transportation and domestic shipping within the island is automotive, it is a top priority for us in terms of the products we offer. Our range includes passenger vehicles, vans, large tourist buses, shipping trucks, and more. We stock a variety of reputable automotive brands, such as our Q8 oil line, which is favored by numerous top racecar drivers, drifters, and rally drivers in Jamaica.

***Welcome to one of Jamaica's leader in auto parts.***
